la semplicità della forma non è la semplicità dell'esperienza

design is everywhere
it's the new app on your phone, the
card you tapped on the bus, the
glasses perched on your nose, and
the words you're reading right now.
design. It's mostly just good.

valore

design is everywhere
si comincia
con uno spazio bianco,
o forse no,
ma secondo me
deve essere bianco,
noi diciamo bianco
perché abbiamo bisogno
di una parola,
di una definizione.
Il nero è l'assenza,
il bianco è la luce.

trenovezero è una delle nuove linee di apparecchi dal *design home-made vesoi*, innovazioni di concetti contemporaneo. prestazioni elevate in elementi essenziali, per ridurre sempre di più gli ingombri e senza rinunce di stile.

trenovezero is one of the new lines of luminaires with a home-made vesoi design, innovations of contemporary concepts. high performance in essential elements, to reduce overall dimensions and without sacrificing style.

super normal object

These conceptual photographs are the result of a series of experiments in the use of light and shadow to create a sense of depth and volume. The result is a series of images that are both visually striking and conceptually rich.

design is not a neutral act. It is a choice. It is a statement. It is a reflection of the values and beliefs of the designer. It is a way of seeing the world. It is a way of making the world better.

super normal is an acronym for super normality, the greatest degree of normality possible. It is a state of being that is both ordinary and extraordinary. It is a state of being that is both familiar and unfamiliar. It is a state of being that is both simple and complex.
