

Vesol

A dark, moody photograph featuring a Vesol lamp with a red cord and a red book titled 'ET' on a dark surface. The lamp is a small, black, cylindrical object with a red cord extending upwards. The book is open, showing a red cover with the letters 'ET' in black. The scene is dimly lit, with a strong light source creating a bright glow on the book and casting long shadows.

spazio

indisputable truth: design is good

spazio è un apparecchio luminoso ideale per una zona giorno con cui creare composizioni di grande impatto visivo. soluzioni su misura completamente personalizzabili e adattabili anche in ambienti pubblici per creare giochi di luce custom.

spazio is an ideal luminaire for a living area in which create compositions of great visual impact. fully customizable and adaptable tailor-made solutions also in public environments to create custom light effects.
