

**idèa** s. f. [dal gr. *idéa*, propr. **aspetto**, **forma**, apparenza, dal tema di *ideiv* «vedere»]. - 1. Nel sign. più ampio e generico, ogni singolo **contenuto** del **pensiero**, ogni entità mentale, e più in partic. la rappresentazione di un oggetto alla **mente**, la **nozione** che la mente si forma o riceve di una cosa reale o immaginaria: l'*i.* del tempo, dello **spazio**, della **bellezza**, dei **colori**, ecc.; avere un'*i.* chiara, netta, esatta, **precisa**, adeguata di una realtà. Con riguardo all'**espressione** delle idee: *i.* espressa in parole, tradotta in immagine. 2. Nel **linguaggio** com.: **a.** Rappresentazione mentale schematica, sommaria, ossia nozione elementare, di un **oggetto**, di un fatto, di un **concetto**: *farsi*, *formarsi* un'*i.* di qualche cosa, concepirla nei suoi caratteri essenziali, in modo più o meno corrispondente alla realtà. *Dare* un'*i.* di qualcosa, suggerirne una nozione schematica, approssimativa. Più genericam., avere **idea**, **sapere**, sia pur vagamente, o **immaginare**. **b.** L'attività della mente rivolta a immaginare una possibile realtà (in contrapp. alla realtà stessa). Quando non ci sia la contrapposizione diretta alla realtà, per lo più sinon. di **prospettiva**: un'*i.* che fa ben sperare; non mi rallegra certo l'*i.* di dover ricominciare tutto da capo. **c.** L'**attività del pensiero**, e soprattutto il **prodotto** di tale attività, sinon. quindi di concetto in genere: l'*associazione*, la *concatenazione* delle *i.*; *sequire* l'*ordine*, il *filo*, la *logica* delle *i.*

**...il futuro appartiene a tutti coloro  
che credono nella bellezza dei  
propri sogni.**

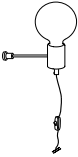

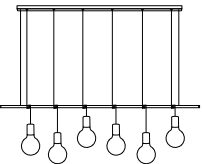

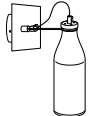

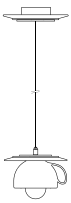

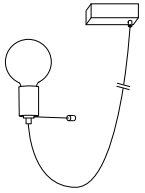

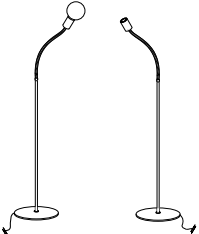

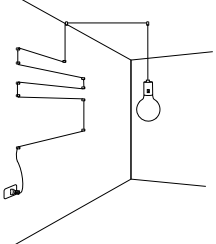

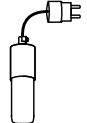

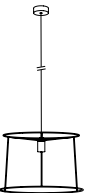

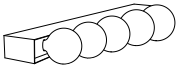

***...the future belongs to those  
who believe in the beauty of their  
dreams. e. roosevelt (1884-1962)***

crescere è un gioco bellissimo e giocare è una cosa seria  
progetto i d e a prende vita da una fondamentale caratteristica:  
far parte di un sistema  
ogni elemento è compatibile indipendentemente della sua forma o funzione,  
si combina perfettamente per creare nuovi prodotti  
e rispondere meglio al proprio desiderio di luce.  
cavi, portalampane, morsetti...  
sono gli elementi che con leggerezza, cura, versatilità creano prodotti unici  
e per questo ogni componente viene pensato  
con grande impegno in ricerca, capacità stilistica e meccanica.  
abbiamo deciso di dare al nostro progetto i d e a un proprio spazio editoriale  
affiancato dal nostro nuovo catalistino, come fondamentale supporto,  
ricco di informazioni tecniche e che contiene due sezioni complete  
dedicate ad accessori e lampade per dare a tutti la possibilità di scegliere, creare...  
e giocare con l'idea.

*grow up is a beautiful game and playing is a serious matter*  
*vesoi project idea comes alive from a fundamental feature:*  
*be part of a system*  
*each element is compatible regardless of its shape or function,*  
*it is perfectly suited to always give shape to new products*  
*to respond more and more to the desire for light.*  
*cables, lamp holders, clips...*  
*these are the elements that with lightness, care, versatility create unique products*  
*and to achieve all this, each component is thought and designed*  
*with great commitment in research, in stylistic and mechanical skills.*  
*we decide to give to this project its own editorial space*  
*to which we have joined our new catalogue pricelist as our main support with complete*  
*technical information and contains two complete sections dedicated to accessories*  
*and lamps to give everyone the opportunity to choose, create...*  
*and play with the idea.*

 in conformità con quanto previsto dalla direttiva CEE del 01.01.1996 vesoi applica il marchio indicato nei dati di targa dei suoi prodotti dichiarandone la conformità alle caratteristiche dei prodotti. Le direttive applicate per la verifica dei prodotti sono la LVD 2014/35/UE, EMC 2014/30/UE, RoHS 2011/65/UE ed Ecodesign 2009/125/CE.

*in conformity with the provisions of the 01-01-1996 eec directive, vesoi places the mark on all its products depending on the characteristics of the products. directives applied for the verification of the products are the LVD 2014/35/UE, EMC 2014/30/UE, RoHS 2011/65/UE and Ecodesign 2009/125/CE.*

il marchio IMQ garantisce per l'Italia il rispetto delle norme EN60958-1, ovvero il prodotto è stato certificato da appositi laboratori che ne riconoscono il rispetto e l'applicazione.

*IMQ certification mark guarantees that a product respects the EN 60958-1 regulations, and that this has been verified by authorised laboratories.*

apparecchio conforme alla norma VDE 0710 parte 14, può essere installato all'interno di mobili normalmente o difficilmente infiammabili.

*luminaire conforming to part 14 of the vde0710 regulations, i.e. that can be mounted inside furniture with standard or reduced inflammability characteristics.*

apparecchio alimentato da rete a 230v AC con connessione a circuito di protezione per gli apparecchi di classe I.

*luminaire fed by 230v ac with connection a protection circuit for class I luminaire.*

apparecchio di classe II dove l'isolamento è garantito non solo dalla presenza di quello fondamentale ma anche da misure di sicurezza supplementari come il "doppio isolamento"; queste misure non comportano messa a terra e non dipendono dalle condizioni di installazione.

*class II fitment where insulation is guaranteed not only by the presence of basic insulating measures but also by extra safety precautions such as "double insulation", which do not require earth connection or special installation methods.*

apparecchio classe III dove l'isolamento si basa unicamente sull'alimentazione in bassissima tensione; non deve essere provvisto di messa a terra di protezione.

*class III luminaire where insulation is based solely on low voltage current and does not require a protective earth connection.*

IP 44

apparecchio protetto da corpi solidi superiori a 1,0mm e protetto contro gli spruzzi d'acqua, ideale per installazione in bagno.

*fitment protected by solid covering more than 1 millimetre thick and protected against water splashes, therefore suitable for bathroom use.*

**RoHS 2** i prodotti vesoi rispettano la direttiva 2011/65/CE "restriction of hazardous substances directive" che impone restrizioni sull'uso delle seguenti sostanze: piombo, mercurio, cadmio, cromo esavalente, bifenili polibromurati (pbb) e etere di difenile polibromurato (pbde).

*all vesoi products conform with the 2011/65/CE restriction of hazardous substances directive regulating the use of lead, mercury, cadmium, hexavalent chrome, polybrominated biphenyl (pbb) and polybrominated diphenyl ethers (pbde).*

apparecchi con sorgenti luminose ed apparati elettronici conformi alle norme generali sul risparmio energetico.

*luminaire with electric light bulbs, or other electronic gear in conformity with general regulations covering energy saving.*
