

Vesoi

# bijoux

*no excess to choose the right lamp to create your restful space*

e-memo

**un tocco di eleganza e *design***

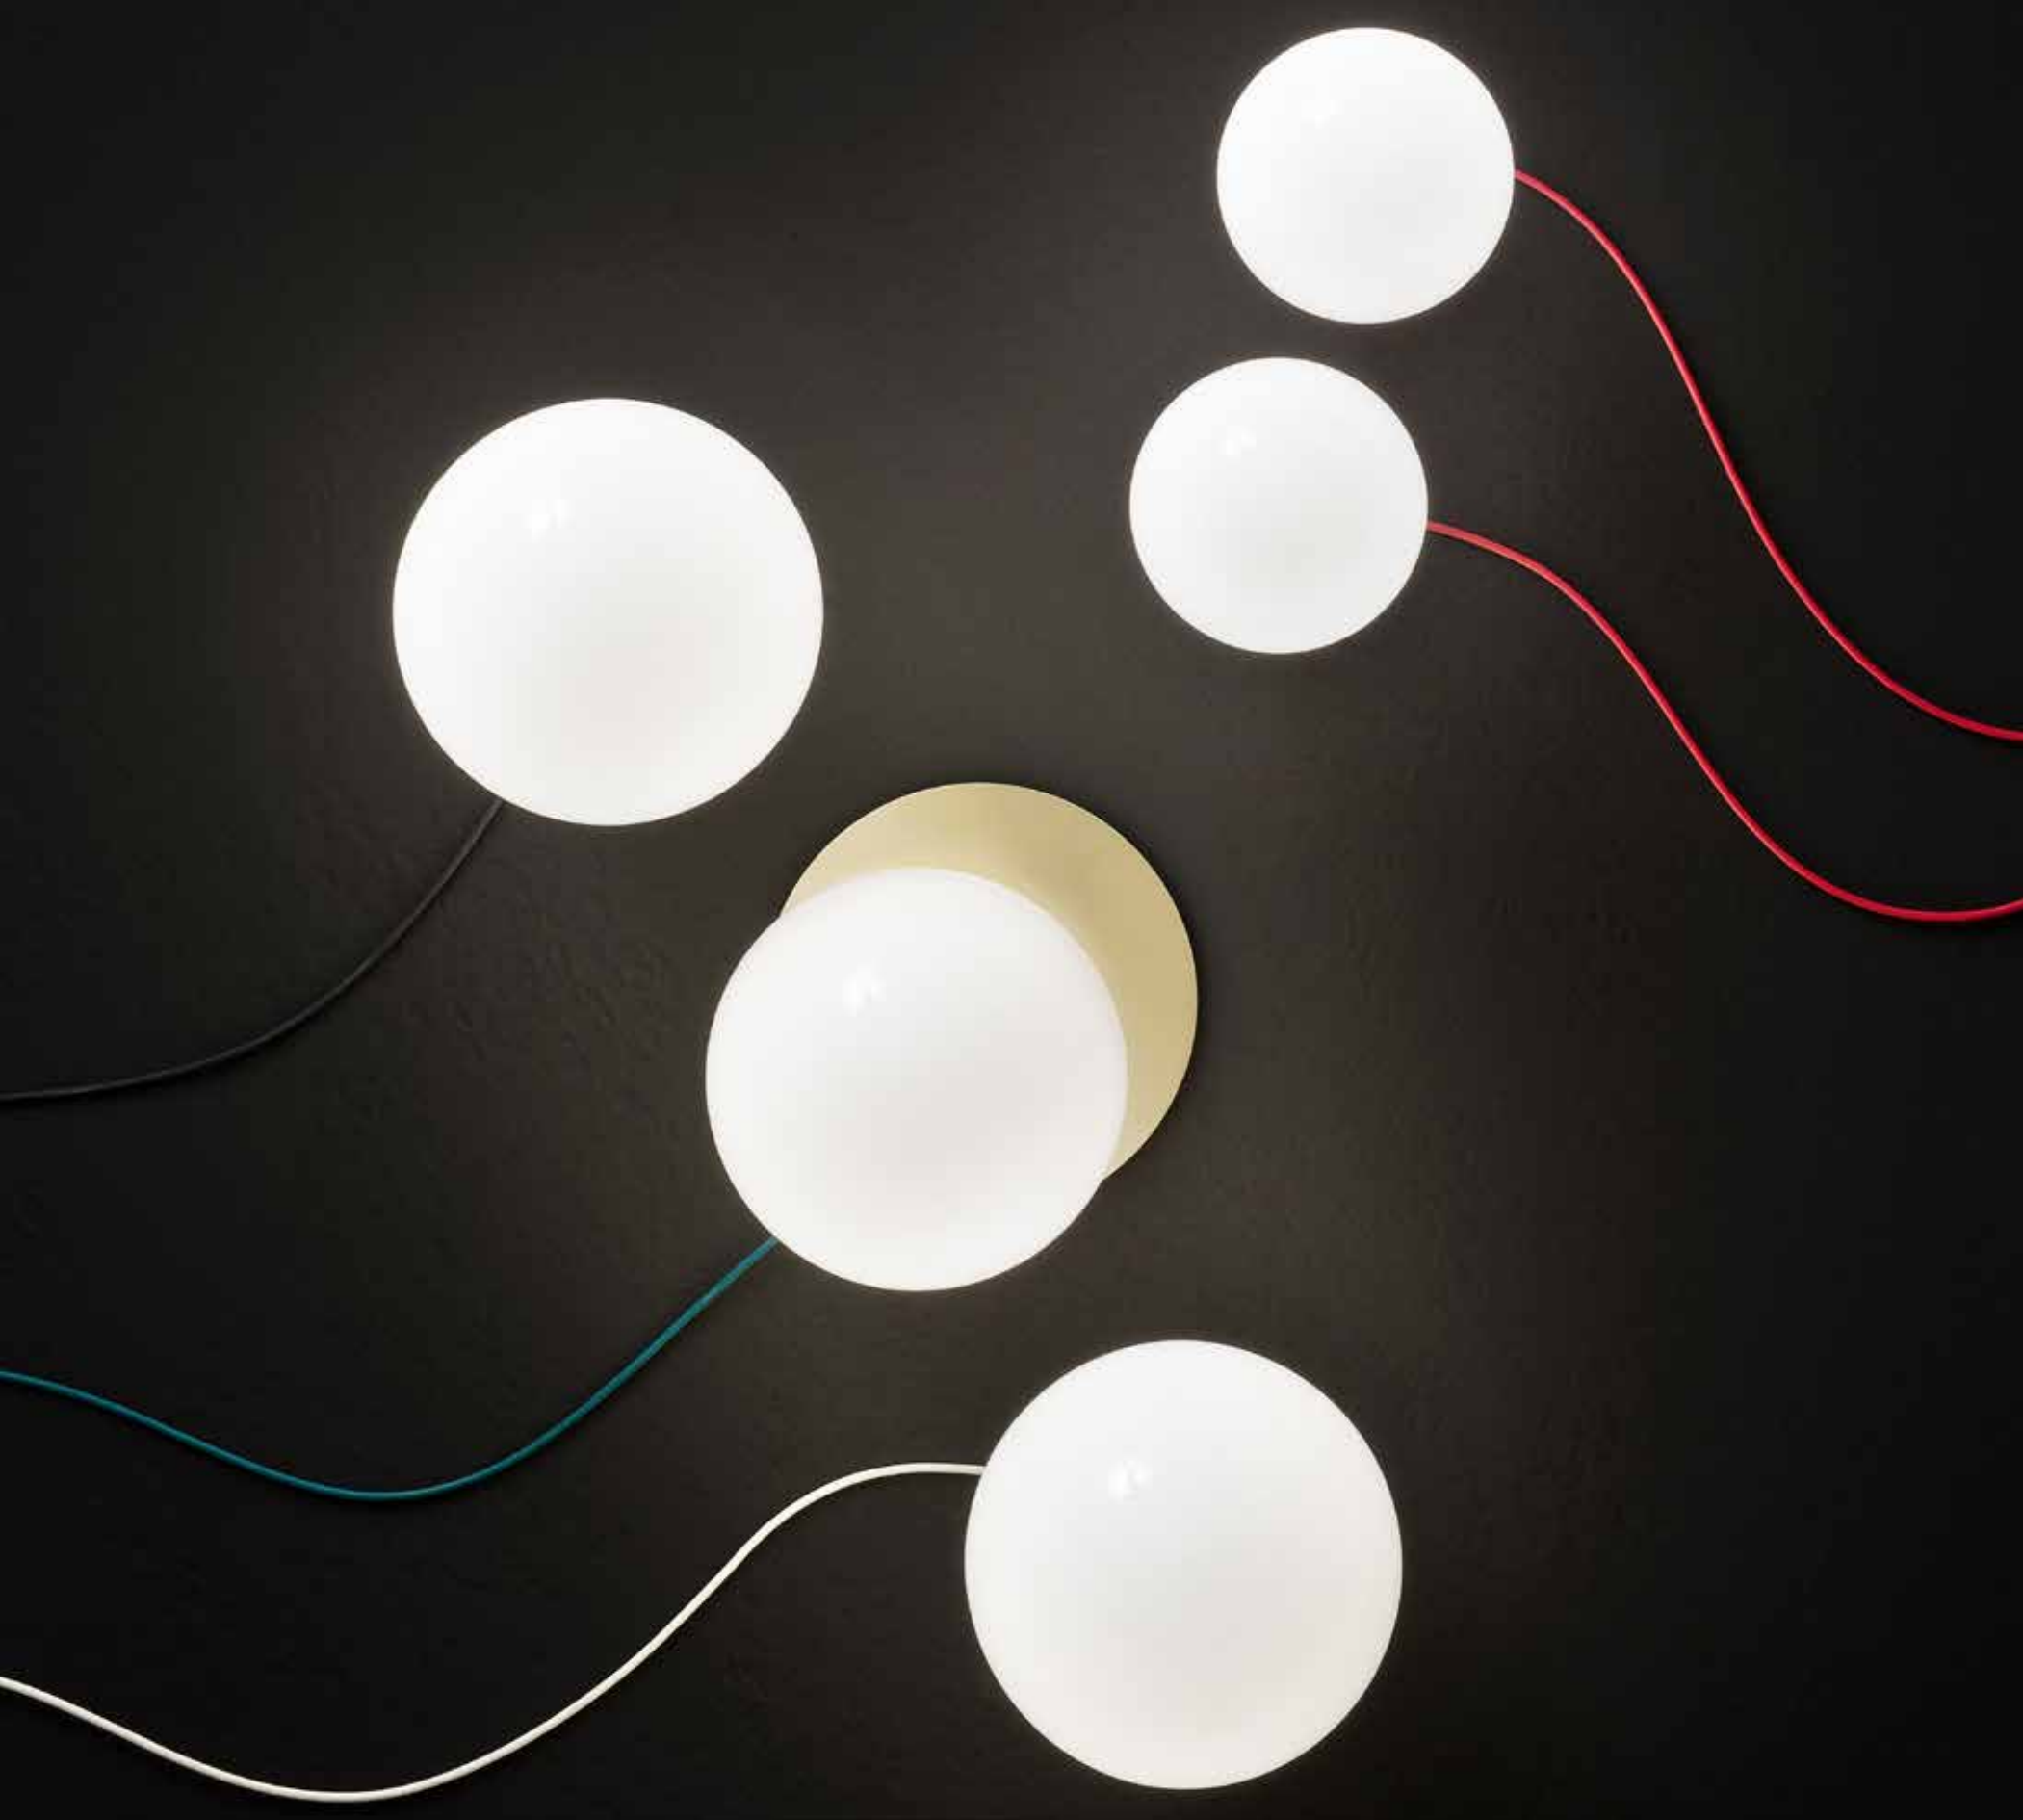

*a touch of elegance and design*

**bijoux ha un design elegante in grado di segnare con la luce gli ambienti interni con proposte minimal ma al contempo innovative. uno stile ricercato, materiali e lavorazioni artigianali soddisferanno anche le richieste più esigenti ideale come luce da comodino o da appoggio su pareti attrezzate.**

*bijoux has an elegant design capable of marking the interiors with light with minimal but at the same time innovative proposals. a refined style, materials and craftsmanship will satisfy even the most demanding requests, ideal as a bedside light or as a support on equipped walls.*

## **conquistare al primo sguardo**

*conquer at first sight*

**la creazione di atmosfere preziose e la valorizzazione della funzionalità sono alla base dell'ideazione di ogni prodotto firmato vesoi. aggiungi al tuo progetto quel tocco di armonia, utilizzando bijoux lampada da tavolo dalle linee armoniche.**

*the creation of precious atmospheres and the enhancement of functionality are the basis of the conception of each product signed by vesoi. add that touch of harmony to your project, using bijoux table lamp with harmonious lines.*
