del lavoro non sei mai contento eppure sei felice.
ezio bosso - musicista

conto sulla punta delle dita le persone che da grande mi hanno insegnato qualcosa di veramente importante ed ezio bosso è tra queste.
l'ho scoperto tardi, molto tardi. il suo esempio conferma che la passione è più del sale della vita, il cui vero senso si esprime con il sorriso: il suo valore più grande! mdr

Two modern, curved light fixtures are mounted vertically on a light gray wall. The fixture on the left is black, featuring a long, thin, curved arm that extends upwards and then curves back down, ending in a small, dark, rectangular light source. The fixture on the right is white, with a similar curved arm that extends upwards and then curves back down, ending in a small, white, rectangular light source. Both fixtures are illuminated, casting a soft glow on the wall behind them.

semplicità non è semplicemente

ma secondo me
deve essere bianco.
noi diciamo bianco
perché abbiamo bisogno
di una parola,
di una definizione.
Il nero è l'assenza.
Il bianco è la luce.
